Location: Lahore, Pakistan

Professional Summary:

“Results-driven ASP.NET Core Developer with hands-on experience in building and maintaining web applications across healthcare and enterprise domains. Currently working at Enopio Solutions, contributing to project-based development with a focus on Entity Framework. Previously gained experience at Visionplus Technologies, enhancing Crystal Reports and maintaining ASP.NET Web Forms applications, and at LumenSoft Technologies, where I developed POS and Employee Management systems during internships. Currently skilled in ASP.NET Core MVC, Entity Framework, Razor Pages, SQL Server, ADO.NET, JavaScript, jQuery, and Bootstrap.”

Technical Skills:

- **Web Development:** HTML5, CSS, Bootstrap, JavaScript (Intermediate), jQuery (DataTables, AJAX, etc.), C#, OOP, SQL
- **Backend & Databases:** ASP.NET & SQL
- **Frameworks & Libraries:** ASP.NET Core MVC , Razor Pages, Entity Framework
- **Tools:** GitHub, Visual Studio, SQL Server Management Studio

Education

Bachelors of Science in Computer Science (BSCS)

Bahria University Lahore

(BULC) 09/2020 - 09/2024

Courses:

- Web Engineering Theory & Lab
- Object-Oriented Programming (OOP) Theory & Lab
- Information and Communication Technology (ICT) Theory & Lab
- Database Management Systems Theory & Lab
- Natural Language Processing (NLP) Theory
- Software Engineering
- Organizational Theory & Behaviour

Professional Experience

Associate Software Engineer – ASP.NET Core

Enopio Solutions

05/08/2025 – present

- *Currently Working at Enopio Solutions.*

Trainee Software Developer – ASP.NET & Crystal Reports

Visionplus Technologies

28/04/2025 – 31/07/2025

- Developed, enhanced, and maintained complex **Crystal Reports** as part of a large-scale **Hospital Management Information System (HMIS)** used by multiple hospitals.
- Collaborated with senior developers to customize reports for key modules including **Patient Records, Lab Results, and Billing Summaries.**

- Worked with **SQL Server Stored Procedures, Functions, and Views** to retrieve real-time clinical and financial data.
- Added advanced features to reports including **dynamic formatting, conditional logic, serial number columns, subreports**, and formula optimizations.
- Maintained and updated legacy **ASP.NET Web Forms** applications across different client hospitals.
- Gained experience working in a high-pressure, collaborative development environment with exposure to real-world production data.

ASP.NET MVC 5 & ADO.NET Intern

LumenSoft Technologies

(09/2024 - 01/2025)

- Gained experience in C#, OOP, HTML, CSS, Bootstrap, JavaScript, jQuery (DataTables, AJAX, JSON), LocalStorage, SQL.
- Implemented DataTables for efficient data management & UI/UX enhancement.
- Developed a full-fledged Point of Sale (POS) application.
- Built a Mini Project for Employee Management with backend integration.
- Assisted in business process automation for retail clients.

ASP.NET MVC 5 (Student Intern)

LumenSoft Technologies

(08/2023 - 09/2023)

- Learned & Worked with languages like C#, OOP, HTML, CSS, Bootstrap, JS, SQL.

Certifications

- Certificate of Excellence (LumenSoft Technologies) (08/2023 - Present)
- IEEE Front-End Web Development (09/2021 - Present)
- IEEE Graphic Designing (09/2021 - Present)
- IEEE Content Writing (09/2021 - Present)

Personal Projects

- **Wikipedia Pages Web Scraper (Python Flask, BeautifulSoup)** - Extracts structured data from Wikipedia pages.
- **Wikipedia Webpage Text Summarizer** - Summarizes textual data of Wikipedia pages.
- **Point of Sale (POS) Application (ASP.NET MVC 5 & ADO.NET)** - A fully functional POS system.
- **Employee Management Mini Application** - User authentication and dashboard system.
- **E-Commerce Website Database** - Designed using SQL.
- **Facebook Login Page Replica** - A simple static webpage using HTML5 & CSS.
- **Webpage Calculator** - Built with HTML5, CSS, and JavaScript.

Languages

- **English:** Full Professional Proficiency
- **Urdu:** Native or Bilingual Proficiency

Interests

- Full Stack Web Development
